VACATION SCHEDULE of DAILY DOSE OF DAX:

Vacation effects nine working days.

I will be unable to make STANDARD MORNING PREP for MONDAY, Aug 3rd; since I have to be at the Airport before 4 am CET. Therefore, preliminary prep with the adjusted zones will be made on Sunday Afternoon. **ALL Trading Days will be covered with Email Update and M. NOTES.**

Prep for THURSDAY, Aug 13th depends of the flight time, and for now, CAN be done normally. I will be back home in the afternoon.

There will be **no classic VIDEO / PDF Recaps** (maybe mini Recaps on some days) and **no Weekend Update**. The bigger one on Saturday, Aug 22nd, will cover BOTH WEEKS.
